PROFESSIONAL EXPERIENCE (4+ YEARS)

Mahmood Group of Industries (Oct 2025 - Present)

Deputy Manager - Accounts & Finance

- Managed end-to-end finance operations for multi-sector entities - **Beyond East** (Retail), **Passion Foods** (F&B) and **MG Agri** (Agriculture) - within a shared services department, ensuring accuracy, streamline operations, standardization and timely reporting.
- Led **Accounts Payable & Receivable** functions including full Procure-to-Pay (P2P) cycle, vendor management, collections and payment execution for both CAPEX and operational expenditures.
- Performed **retail outlet** and **e-commerce reconciliations**, ensuring alignment of POS sales, online platforms and bank receipts with accounting records.
- Prepared and presented monthly **financial statements** (P&L, Balance Sheet, Cash Flows) along with variance analysis to support management decision-making.
- Oversaw general ledger integrity and financial reporting, ensuring **compliance with IFRS** and internal control frameworks aligned with regulatory expectations.
- Managed **cash flow planning and treasury** operations, optimizing working capital while ensuring timely vendor payments and operational liquidity.
- Supervised** and managed with **cross-functional teams** (operations, procurement, and management) in shared services department to streamline financial processes and reporting.

Nexia International - Riaz Ahmad & Co. Chartered Accountants (Jan 2022 - Sep 2025)

Audit Associate - Audit Supervisor

- Supervised audit teams** by planning and assigning work, providing guidance, training, and motivation to ensure timely completion of audit fieldwork, while proactively communicating engagement progress to managers and partners for timely reviews and deliverables.
- Led end-to-end **external audit engagements** for large and complex clients across manufacturing, retail, insurance, textile, oil & gas, and services sectors, ensuring compliance with ISAs and IFRS.
- Planned and executed risk-based **audit strategies**, including engagement scoping, materiality setting, risk assessment and resource allocation to enhance audit quality and efficiency.
- Reviewed and finalized financial statements and group consolidations in accordance with IFRS, including application of **IFRS 9, IFRS 15, IFRS 16, IFRS 3, and IFRS 10**.
- Prepared and reviewed **financial statements** in compliance with IFRS and local legal requirements, ensuring accuracy, adherence to standards, and delivering insights for informed decision-making.
- Directed and reviewed audit fieldwork and **working papers**, ensuring adherence to firm methodologies and quality control standards prior to manager and partner review.
- Evaluated **internal control systems**, identified control gaps, and provided actionable recommendations to strengthen governance, compliance, and financial reporting processes.

- Presented **key audit findings** and recommendations to senior management and executive meetings, contributing to strategic decision-making and annual report preparation.
- Developed and implemented **Standard Operating Procedures (SOPs)** for the finance and HR department, streamlining processes for improved efficiency and compliance.
- Supervised, coached and **mentored audit teams**, improving performance, ensuring technical compliance and fostering a high-performing team environment.
- Delivered value-added assignments, including **business process reengineering (BPR)**, **internal audits**, and **forensic reviews**, enhancing operational efficiency and internal controls.
- Served as **liquidator** for an e-commerce company, responsible and directly reportable to CFO for managing cash flows, critical payments to vendors and regulatory bodies and overseeing inventory and fixed assets, while coordinating with external auditors for the finalization of financial statements in true and fair view.
